Energy Wise Renewables program supports renewable energy

Butler County REC
Your Touchstone Energy® Cooperative

521 N. Main, P.O. Box 98
Allison, IA 50602

Butler County REC's Energy Wise Renewables program supports solar and any type of distributed generation that provides an alternative or enhancement to the traditional electric power system. All contributions go to small-scale distributed generation in our service territory. Butler County REC does not charge anything for the administration of this program.
