Marathon[®]
WATER HEATERS

Details on reverse side

Energy-efficient electric water heaters are a great value for co-op members

Marathon water heaters through Butler County REC have remained the same price since 2016. The cooperative has absorbed the last two price adjustments from Rheem. However, with the most recent price adjustment, as of October 1, 2019, **Marathon electric water heaters from Butler County REC will now be available for the following prices:**

<u>Model</u>	<u>Retail Cost</u>	<u>Member Rebate</u>	<u>Member Cost*</u>
50-gallon - tall or short	\$1,025	\$626	\$399
85-gallon - heavy duty	\$1,396	\$997	\$399
105-gallon - heavy duty	\$1,566	\$1,016	\$550

*Plus tax applied to the retail cost. Rebates cannot exceed the purchase price of the unit.

- **New home or replacing gas water heater:** 50- and 85-gallon units—members pay retail tax only; 105-gallon unit—members pay \$250, plus retail tax.
- Marathon electric water heaters have non-metallic seamless, blow-molded polybutene tanks impervious to rust and corrosion.
- 10-year warranty upgraded to lifetime tank warranty by Butler County REC registering your water heater. Warranty is for original purchaser for residential installations.
- Six-year parts and labor warranty.
