oor LED Security Packs, Parking Lo								
att - under 40 Wat	t		\$10.00					
att and above			\$30.00					

Cooperative Representative:

Date: I certify that the incentive payments requested are for equipment installed at the member's site in the last 12 months.

Note: A copy of the member's receipt indicating type of equipment, quantity and purchase price is required. The incentives listed above are the maximum available rebate. Total rebates limited to \$100,000 per project. See the Energy Efficiency Programs document for more information. Actual rebates will not exceed 50% of the documented equipment (fixture and lamps) purchase price. If the member previously received a rebate for a fluorescent light fixture, the replacement of that fixture is not eligible for a rebate until the life of that fixture has expired. However, the replacement of the fluorescent lamps with LED tubes in those fixtures (re-lamping) may be eligible for a custom rebate. Contact your cooperative to determine fixture and lamp life and for additional details. This program is subject to cancellation without notice. Submit rebates over \$5,000.00 to your Cooperative on a Lighting Information sheet prior to installation in order to assure the maximum rebate. Applications for rebates must be submitted within 90 days of installation. Rebate checks will be issued to the account holder. Your Cooperative reserves the rights to verify all installations. The site must be served directly by your Cooperative

Total = \$

Member's Signature:

Phone: Date: I certify that the incentive payments requested are for equipment installed at address listed above, and agree to the noted terms above.
