One app. Total power control. SmartHub.

SmartHub is your answer for easy access to your Butler County REC power usage and bill. Download the app or access SmartHub through our website at butlerrec.coop or with the QR code.

Bill and Pay: Enroll in auto pay; view your bill, usage, and payment history
Contact Us: Our addresss, phone numbers, and maps in one location; report a problem or send a general inquiry
Dashboard: Usage overview graphs, communications and alerts, pay button
Settings: Manage your billing address and contact information, set up paperless billing, manage your password, store payment accounts, and so much more
Usage: See how much electricity you typically use, compare bills, explore past and current usage, evaluate ways to save usage and money

If you are not registered, go ahead and register your account. You will need an email address and your account number (found on the top right of you bill). Then, activate the features you want.

Questions or issues? Contact us at 888.267.2726 or email us at butler@butlerrec.coop.
